

REMARKS

In the Notice of Non-Compliant Amendment (37 CFR 1.121) mailed 06/02/2006, the listing of claims were objected to, noting that the text of withdrawn claim 33 was not included in the previous response. The present response includes the text of claim 33 as well, and is thus believed to overcome the objection. Claims 1-20 and 33 remain withdrawn and claims 21-32 are presented for consideration. Continuation of examination is thus respectfully requested.

The Examiner is invited to telephone Mr. Anthony Miologos at 602-313-5683 if it is believed that an interview might be useful for any reason.

Respectfully submitted,

/Narendra Reddy Thappeta/
